

AUGUST 2024 – THE ACCESS FUND IS CURRENTLY FULLY SUBSCRIBED AND WE ARE NOT TAKING NEW APPLICATIONS AT THIS TIME.

ALL OR NOTHING ACCESS FUND

We are committed to making our classes accessible to everyone and this includes people who might struggle to pay the class fees. We have an access fund to help those who need financial support.

As these funds are limited, decisions will be made on a discretionary basis to ensure our support goes to those most in need and we will prioritise people who want to attend a whole term of classes. You can apply for a discount using the link below, when you will be able to provide information about your circumstances in strict confidence.

We will accept applications for a discount if you are in receipt of certain benefits such as:

- Free School Meals (P6+)
- Universal Credit
- Child tax credits (below income threshold)
- Working tax credit
- Income Support
- Jobseeker's Allowance
- Employment and support allowance (income related)
- Personal independent payment
- Disability Allowance for children
- Incapacity Benefits
- Pension Credit

Please note this list is not exhaustive and you may have different circumstances you can tell us about. Once you provide the information about your financial circumstances, we will let you know what level of discount we can offer (100%, 50% or 25%). If we agree to a discounted rate for attending classes, this will be valid for six months only, but you may apply again in future if your circumstances have not changed.
